

THE JIU JITSU FOUNDATION – PARENT/ CARER/ GUARDIAN OF MEMBER RESPONSIBILITY

As parents, carers or guardians of a child taking part in our club, we expect you to:

- Make sure your child wears appropriate clothing, ideally a Gi if they have one but, if not, then workout/ gym clothing
- Ensure they are adequately hydrated and bring along a full water bottle
- Arrive to sessions on time to set-up and stay until the end to tidy up unless otherwise arranged beforehand
- Ensure arrangements are made to drop off and collect your child, if required. Volunteers cannot take responsibility for travel arrangements unless special arrangements are made beforehand and agreed by all parties
- Inform us if your child decides they don't want to do something and why so as we may better support them in their Jiu Jitsu journey – sudden changes in behaviour could also indicate there are problems
- Use communication channels and social media responsibly and appropriately in line with The Jiu Jitsu Foundation's policies and procedures
- Respect and follow our photography and filming policy; please do not take any photos or videos without permission from club officials and subjects in media
- Encourage your child, and their peers, to not only focus on the Jiu Jitsu lessons but to also have fun
- Refrain from using inappropriate language, abusive language, or threatening or aggressive gestures
- Refrain from stepping onto the mat without permission from the Lead Instructor
- Build and maintain relationships with your child's Instructor and club assistants so you can check-in and get updates when required
- Contact Instructors or assistants if you have any questions, queries or concerns about your child or their involvement in Jiu Jitsu.
- Be respectful of everyone participating or assisting; including Instructors, assistants, other adults, children, and staff.
- Avoid interacting with those participating or assisting as it could cause distractions and therefore accidents
- Complete all consent, contact, medical and licence forms. As well as updating the club officials of any changes
- Behave positively and support your child, their peers, and the club
- Respect and accept the officials' decisions and support your child to do the same – please do not interfere or disrupt the class. We are happy to discuss anything with you at a suitable time
- Encourage sportsmanship in your child
- Encourage following Safety Practice policy and class guidelines (see our code of conduct for members)
- Make yourself and your child aware of our policies and procedures (<https://www.jitsufoundation.org/policy/>)
- Understand that failure to follow policies and procedures may result in disciplinary action, which could result in dismissal from the club without refund.
- Notify the club in advance of any absences ASAP
